Job Title: Desktop Support Engineer (Field Work – Male Candidates)

Location: Phase I, Hinjewadi, Pune, Maharashtra

Experience Required: 0–2 years

Job Type: Full-Time

Job Summary:

We are looking for a motivated and technically proficient **Desktop Support Engineer** to provide on-site IT support to our clients. This role involves resolving hardware, software, and network-related issues and requires frequent travel to client locations within the region.

Key Responsibilities:

- Visit client sites to troubleshoot and resolve desktop, laptop, and network issues.
- Install, configure, and maintain IT equipment including desktops, laptops, and peripherals.
- Coordinate with internal technical teams to escalate and resolve complex issues.
- Maintain detailed documentation of support tasks and service logs.
- Ensure high levels of customer satisfaction through timely and effective issue resolution.

Qualifications & Requirements:

- Diploma or bachelor's degree in IT, Computer Science, or a related field.
- 0–2 years of experience in desktop support or IT field services.
- Basic knowledge of:
 - Windows operating systems
 - Hardware diagnostics and troubleshooting
 - Networking fundamentals
- Willingness to travel regularly for on-site client support.
- Strong communication and interpersonal skills.
- **Male candidates preferred** due to travel and field work requirements.

Why Join Us?

- Gain hands-on experience in a client-facing IT role.
- Work with a supportive and growing team of IT professionals.
- Opportunity to develop your technical and troubleshooting skills in real-world environments.
